

**Position: Accounting & Finance Summer Student**

**Overview:**

Teine Energy Ltd. is a private oil and gas company focused on oil plays in Saskatchewan and Alberta. We are currently looking for an Accounting & Finance summer student to join our Accounting & Finance team in the Calgary head office. This position will be available for a 4-month term starting on May 1, 2019.

**Summary of Duties:**

- Process and record monthly joint venture, accounts payable, and financial accounting entries
- Perform general day-to-day duties that include creating Excel schedules and reconciliation of accounts
- May assist in month-end and quarter-end internal reporting
- Update well payout calculations
- Assist Accounts Payable as required
- Other ad hoc duties as assigned

**Preferred Qualifications and Skills:**

- Working towards a degree or diploma in Accounting, Finance, or Joint Venture Accounting
- Understanding of financial accounting and experience in the Oil and Gas industry considered an asset
- Highly organized with strong analytical skills and attention to detail
- Self-starter capable of working independently
- Experience with accounting systems, Qbyte FM, Optix reporting, PowerVision, and EnergyLink considered an asset
- High level of Excel proficiency with advanced knowledge of Word

Please apply online by January 31, 2019 and submit your resume to <http://www.teine-energy.com/careers/apply-online>

We appreciate the interest of all applicants, however, only those candidates to be interviewed will be contacted.
