

## **Position: Senior Production Accountant**

### **Overview:**

Teine Energy Ltd. is looking to add an experienced full-time **Senior Production Accountant** to their Calgary head office team. The primary responsibility of this position is the full cycle monthly production and revenue reporting of Teine's properties to internal as well as external stakeholders. This is a key position working with our dynamic team requiring solid knowledge of production accounting, ability to multi-task, critical thinking and strong organizational skills.

### **Responsibilities:**

- Compliant monthly filings (volumetrics, splits, valuations, SAFs/OAFs, etc.) via Petrinex
- Enter and process monthly data in production accounting system (Metrix)
- Maintain master system data
- Book revenue, royalties and facility charges
- Reconcile accounts receivable
- Analyze, interpret and validate property data
- Ensure compliance with joint venture and royalty agreements
- Liaise with internal groups to ensure production and revenue data integrity
- Ensure internal controls are working properly and identification of process improvements
- Production/Revenue/Royalty accounting duties and projects as required

### **Required Qualifications and Skills:**

- 10+ years production accounting experience
- CAPP Certificate
- Some post-secondary accounting education would be an asset
- Experience with Petrinex, Qbyte Metrix or PRISM, Qbyte FM, DataWorx, Petrotranz
- Working knowledge of CS Explorer, EnergyLink, Microsoft Office (Excel pivot tables preferred)
- Strong knowledge of freehold/overriding royalty encumbrances and their calculations
- Experience with Saskatchewan production accounting, EPAP and EVAP
- Prioritize multiple monthly deadlines and manage time efficiently
- Strong analytical and organizational skills with a high level of accuracy and attention to detail
- Ability to work within a team environment as well as independently with minimal supervision
- Excellent communication skills and a desire to learn
